

Yet She Lives: Fierce and Fantastical Women of Norse Mythology

Lisa Hannett

'She remembers the war, the first in the world ... Three times they burned the one thrice-born, often, over again; yet she lives still.'

The women of Norse mythology reflect very human concerns about the fragility of life and the inevitability of death. They embody a place where ideas about masculine and feminine, wife and warrior, domestic and the otherworldly, collide.

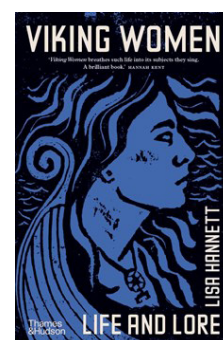

From Freya, goddess of love, fertility, death and war, the giantess Skaði, and Hel, queen of the dead, Lisa Hannett invites us into the lives of legendary Viking women, going beyond the confines of our ordinary world to retell their stories with flair and vitality. Read tales of shieldmaidens and Valkyries with wild hearts and blood on their hands; goddesses who are more than promiscuous bartering chips; giantesses with strong minds and motivations; witches who aren't one-dimensionally wicked; and fateshapers who fascinate beyond human understanding.

A vivid retelling of the epic lives of mythological Norse women.

In *Yet She Lives*, Lisa Hannett re-situates some of Norse mythology's most formidable female characters, casting them not as sidenotes in famous men's adventures, but as protagonists in their own life stories.

- This book speaks to right now - it's not just about how people lived and what they believed back then, but what these women reveal about us now and what we see in these women.
- Exceptional style: analysis of the myths is both crystal-clear and grounded in research.
- Builds on *Viking Women: Life and Lore* and Lisa Hannett's burgeoning author profile

Bone Broth

Alex Taylor

In this coming-of-age queer thriller, the young transmasculine Ash begins his transition into adult life by landing his first job at a ramen noodle shop in London, prepping the bone broth. But as the financial landscape shifts under Ash's feet, and after months of bonding with a series of challenging co-workers, everything suddenly stops dead. Literally. Good thing Ash has already spent a year on the job...

Songs for Other People's Weddings

David Levithan and Jens Lekman

From award-winning author David Levithan and acclaimed singer-songwriter Jens Lekman comes a tender novel about an unlucky-in-love wedding singer trying to find the right words to save his relationship. This is a tender, honest novel that tracks love through all its chord changes, never forgetting that the best songs contain the bitter and the sweet, the despair of losing it all and the euphoria of being found.

Disney Comics Library. Carl Barks's Donald Duck. Vol. 1. 1942-1950

Edited by Taschen

Donald Duck was Walt Disney's cartoon bad boy, a more complex foil to the ever-optimistic Mickey Mouse and a box-office draw from his earliest silver screen appearances. With hundreds of beautifully restored reproductions and an extended essay by Disney historian Jim Fanning, this collection is a fitting tribute to the sailor-suited hero and the revered "Duck Man"-an official Disney Legend and comic book king.

Sasha Waltz & Guests (Bilingual edition)

Edited by Sasha Waltz and Jochen Sandig, Designed by Daniel Wiesmann

For 30 years, the dance company and artistic collective Sasha Waltz & Guests has celebrated international success. Sasha Waltz's "scores" consist of an eclectic collection of evocative terms, each of which designates individual choreographic figures. Like an encyclopaedic cabinet of curiosities, this publication takes up 50 of these "codes" and detaches them from their actual context.

MID-GRADE FICTION & YA FICTION

Village of Scoundrels

Margi Preus

Based on the true story of the French villagers in WWII who saved thousands of Jews, this novel tells how a group of young teenagers stood up for what is right. Among them is a young Jewish boy who learns to forge documents to save his mother and later goes on to save hundreds of lives with his forgery skills. But there is always the threat that they will be caught: as the knot tightens, the young people must race against time to bring their friends to safety.
