### Kitchen Sentimental

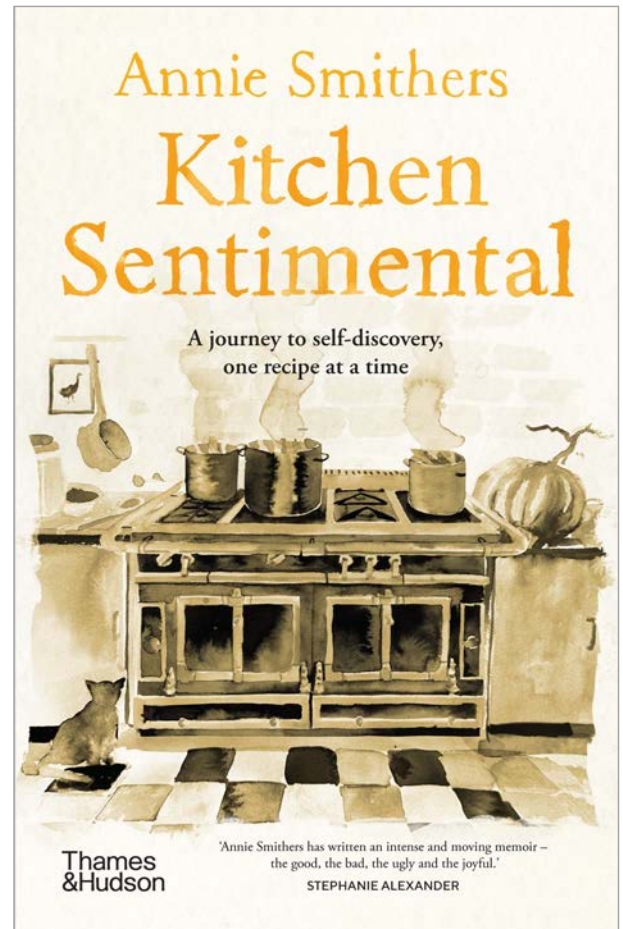

A journey to self-discovery, one recipe at a time

Annie Smithers

*The memoir of a beloved cook, told through the kitchens and recipes that shaped her.*

Respected chef and paddock-to-plate pioneer Annie Smithers takes us on a journey through every significant kitchen in her life, both domestic and professional. With engaging honesty, Annie shares her personal development, her surprisingly complex relationship with food, and the lessons she has learned along the way to find her culinary niche at the famed du Fermier restaurant in country Victoria.

- A companion to *Recipe for a Kinder Life* (2021), which sold approx. 15,000 copies.
- Includes 70 recipes from significant kitchens of her life, both personal and professional.
- The perfect gift: a memoir of one of Australia's most highly regarded chefs, offering a peek into the reality of restaurant kitchens.

264 pages, 234 x 153 (PB)

### Assemblage The Art of the Room

Shannon McGrath & Annie Reid

*A breathtaking survey of Australian interior design, architecture, artists and designers: 70 makers who have contributed to Australia's most beautiful houses.*

A house is a curated collection of objects and belongings. From the architects, artisans and makers who have crafted the objects, here are twenty-four inspiring homes showcasing the rooms and people that make them exceptional.

Shannon McGrath, one of Australia's best interiors photographers, opens her archive to reveal the details and layers that make up a room.

Written by Annie Reid, *Assemblage* is a true celebration of the beauty of design and intentional curation, revealing that even the smallest of objects, and the way they are assembled, can make an extraordinary impact.

## Sales Points

- A broad spectrum of Australia's creative output: this book has emerged from interviews with 70 of Australia's finest makers: architects, interior designers, stylists, furniture makers, designers and artists.
- The first book by Australia's best interiors photographer, Shannon McGrath.
- Taps into Australia's obsession with renovation and real estate; deconstructs the details and layers that make up a room: from furniture and fittings, to lighting choices, colour palettes and art curation.
- It's not just about having an unlimited budget to buy the latest furniture; explores the emotional connection to objects and how to put a room together for high and low budgets.
- Annie Reid is a well-established design and architecture journalist and is the founder of content studio Atrium Media.

## SKITTLED OG

### Charles Darwin's Voyage on HMS Beagle A 1000 Piece Jigsaw Puzzle

*Maria Rivans*

Maria Rivans celebrates one of history's greatest ever journeys: Charles Darwin's voyage around the world on HMS Beagle. Between 1831 and 1835, he called on the Canary Islands, Brazil, Argentina, the Falklands, Chile, Australia – and, of course, the Galapagos archipelago, where giant tortoises and tiny finches perfectly illustrated his momentous discoveries. Vintage maps and a host of charming imagery bring Darwin's story to life; and, as in Maria's other puzzles, the intricate and colorful art gives the puzzler a particularly satisfying experience
